

## THURSDAY, 28 SEPTEMBER 2023

### PRE-CONGRESS COURSES

	Room Alfa	Room Beta	Room Lambda	Room Gamma
	PRE-CONGRESS CME 1 ADVANCES IN CKD AND DIALYSIS	PRE-CONGRESS CME 2 UPDATE ON GLOMERULAR DISEASES	PRE-CONGRESS CME 3 TRANSPLANTATION	
08:15–08:30	Opening remarks	Opening remarks	Opening remarks	
08:15–10:10	Trouble-shooting on dialysis	Difficult cases	Trouble-shooting after	
10:10–10:30	<i>Coffee break</i>			
10:30–11:45	CKD-MBD management	10:30–12:15 Clinical trials in pediatric glomerular	Donor selection	11:00–12:45 Working Group Meeting CAKUT
11:45–13:00	Dialysis in special situations	12:15–13:00 Health-related-qua- lity-of-life and	Transplantation in special situations	
13:00–14:00	<i>Lunch</i>			
14:00–15:45	Workshops	Meet the Expert Workshops	Workshops	Working Group Meeting Inherited disorders
15:45–16:00	<i>Coffee break</i>			
16:00–17:00	Working Group Meeting CKD and dialysis WGs	Working Group Meeting Glomerular diseases	Working Group Meeting Transplantation	

### CONGRESS

17:00–18:30	Opening Ceremony – Room Alfa
18:30–19:00	Move to Energy and Technology Museum
19:00–21:00	Welcome reception – Energy and Technology Museum

**FRIDAY, 29 SEPTEMBER 2023**

**CONGRESS**

**Room Alfa**

**Room Beta**

**Room Lambda**

07:00-08:00	<b>Grand Rounds 1</b> CAKUT as a cause of childhood CKD	<b>Grand Rounds 2</b> Management of a difficult case of lupus nephritis: with renal and extra-renal involvement	<b>Grand Rounds 3</b> Management of the infant on PD and HD
08:00-08:45	<b>Plenary Lecture 2</b> New molecular tools to study kidney diseases: from intact organs to sub-cellular resolution		
08:45-10:30	<b>Symposium 1</b> Attenuating disease progression	<b>Symposium 2</b> Nephrology in the NICU	<b>Symposium 3</b> Dialysis
10:30-11:45	Exhibition area - 10:30-11:45 <i>Coffee Break</i> - E-posters		
11:45-12:45	<b>Mini-symposium 1</b> Glomerular diseases	<b>Mini-symposium 2</b> Pharmacokinetics for precision medicine	<b>Mini-symposium 3</b> Transplantation
12:45-13:45	<i>Lunch</i> <b>Industry symposia 1</b>	<i>Lunch</i> <b>Industry symposia 2</b>	<i>Lunch</i> <b>Industry symposia 3</b>
13:45-15:15	<b>Plenary Lecture 3 and Best Abstract presentations</b> Paediatric nephrology – the need for a transformative transfusion of research and capacity development		
15:15-15:45	<i>Coffee break</i>		
15:45-16:45	<b>Controversies 1</b> BP management: how low should I go? Keep BP below the 50 <sup>th</sup> centile	<b>Controversies 2</b> Prenatal hydronephrosis: routine prophylaxis for all?	<b>Symposium</b> Disaster preparedness
16:45-18:00	<b>Guidelines Session</b> Inherited kidney disorders WG	<b>Guidelines Session</b> Dialysis WG	<b>Guidelines Session</b> Transplantation WG

**SATURDAY, 30 SEPTEMBER 2023**

**CONGRESS**

**Room Alfa**

**Room Beta**

**Room Lambda**

07:00-08:00	<b>Grand Rounds 4</b> Recurrent nephrotic syndrome post-renal transplantation	<b>Grand Rounds 5</b> Renal stone disease: medical & surgical management	<b>Grand Rounds 6</b> Enuresis management in the teenage girl
08:00-08:45	<b>Plenary Lecture 4</b> Will big data reshape kidney replacement therapy?		
08:45-10:30	<b>Symposium 4</b> Hypertension	<b>Symposium 5</b> Diagnostics	<b>Symposium 6</b> Management dilemmas
10:30-11:45	Exhibition area - 10:30-11:45 <i>Coffee Break</i> - E-posters		
11:45-12:45	<b>Mini-symposium 4</b> CAKUT and nephro-urology	<b>Mini-symposium 5</b> Glomerular diseases	<b>Mini-symposium 6</b> CKD
12:45-13:45	<i>Lunch</i> <b>Industry symposia 4</b>	<i>Lunch</i> <b>Industry symposia 5</b>	<i>Lunch</i> <b>Industry symposia 6</b>
13:45-14:30	<b>Guidelines Session</b> CAKUT WG	<b>Guidelines Session</b> Glom diseases WG	<b>Guidelines Session</b> CKD-MBD WG
14:30-15:30	<b>Symposium</b> What's new?	<b>Controversies 3</b> Management of nephrotic syndrome in teenagers	<b>Controversies 4</b> Clinical targets in MBD treatment
15:30-16:00	<i>Coffee break</i>		
16:00-17:15	Diagnostic, therapeutic and technological advances in paediatric nephrology A moderated industry symposium		
17:15-18:30	<b>ESPN GENERAL ASSEMBLY</b>		

**SUNDAY, 1 OCTOBER 2023**

**CONGRESS**

Room Alfa

Room Beta

Room Lambda

07:00-08:30

Breakfast with the VPNN

08:30-09:30

Plenary Lecture 5 and launch  
of the Green Nephrology  
Taskforce  
Going green: sustainability in  
nephrology practice

09:30-11:15

**Symposium 7**  
Complement mediated disorders

**Symposium 8**  
Critical care nephrology

**Symposium 96**  
ESPN/ERA and ERKNet registries

11:15-11:30

*Coffee break*

11:30-13:00

Working Group Session  
Inherited and Glomerular diseases

Working Group Session  
CAKUT and CKD

Working Group Session  
Dialysis and transplantation
